

# FLORIDA RANKS #1 IN THE U.S. for Attracting & Developing Talent

*Lightcast Talent Attraction Scorecard*

With total employment of more than 10 million statewide and more than 420,000 professionals employed in the state's diverse manufacturing sector, businesses have access to an exceptional labor pool. Florida also offers one of the lowest unionization rates for private-sector manufacturing in the country, fortifying your competitive advantage in a right-to-work state.
